

LIFE AUTUMN BEAUTY

The Beauty of Autumn

LIFE SELECTS THE BEAUTY PRODUCTS THAT ARE CREATING A BUZZ FOR THEIR BENEFICIAL PROPERTIES.

1 All Round Radiance

Made from 100 per cent GMO-free wild camellia flowers and void of man-made substances, Golden Silk Oil is a new multi-purpose oil that replenishes lost moisture and keeps the skin glowing and supple. Among its uses are as a face or body moisturiser, lip gloss, hand lotion, cuticle oil, night cream and intensive hair conditioner.

£20.95 for 20 ml

2 Bronzed Beauty

Vita Liberata offers a range of odourless self-tanning products that are free from perfumes, alcohol and parabens. The active ingredient DHA, which is present in all self-tanning products, is obtained by Vita Liberata from organic sugar cane and enhanced with extracts from silk proteins and seaweed, leaving skin smooth and soft.

Price range from £20 to £32

4 Super Skincare

Usually regarded as a type of tea, botanical extract Rooibos features in Aftersun's organic and paraben-free skincare range. Its anti-oxidant properties act as an anti-aging ingredient, and it also boasts anti-inflammatory properties. Aftersun's range includes a cleansing milk, toning spritzer, night cream, day cream and body lotion.

Price range from £15 to £30
