Affinage Infiniti Pre-Pigmentation Spray and Gel are easy-to-use products for full-head correction work and partial re-colouration. Apply prior to colouring, choosing from Red, Orange and Yellow. They help reduce colour fade and similarly are ideal for use before re-application to revive colour. Both Spray and Gel have built-in porosity equaliser for more even and intensive results. Tel: +44 (0)1794 527111 or visit www.affinage.com

Aveda Damage Remedy Daily Hair Repair is a high-performance, plant-powered, daily leave-in treatment that instantly repairs damage and helps protect hair from heat styling. Clinically proven to instantly repair damage by 26%* it detangles to protect hair from breakage and further damage, and creates a healthy foundation for styling. It's safe for colour-treated hair, too. **Control Force** firm-hold hairspray is a high-performance, fast-drying, firm-hold finishing spray that provides all-day maximum hold and 24-hour humidity resistance with a net-zero impact on the Earth's climate through the company's funding of renewable energy. Tel: +44 (0)870 034 2380.

Bioethetics Molding Spray possesses an integrated drying delay effect, gives masses of volume and a very strong hold. It leaves hair with a beautiful gloss due to the shine-boosting care components and can be brushed out easily at the end of the day leaving hair residue-free. To freshen up a style, clients can simply moisten hands and restyle hair. **Volume Mousse** guarantees lasting XXL volume for up to 48 hours. It has an extra strong, flexible hold that is ideal for fine hair. It's easy to distribute through hair and offers protection against sun damage and dehydration. Tel: +44 (0)1296 611731.

Kerastraight Pre and Post Treatment prescriptives help to maximise the longevity of the brand's keratin straightening treatment. A cleanser prepares the hair for application of the straightener, while a maintain shampoo and conditioner are great take-home products for the client. Tel: +44 (0)845 459 0026.

Clynol Moisture+ Hydrate shampoo and Moisture+ Dream 2-phase leave-in conditioner both feature a new ingredient, Bamboo milk, one of nature's super foods for hair. It contains a powerful mix of nutrients bringing deep hydration and strength, meaning this duo of high performers can be your moisture top-up everyday, or just a boost for short periods. It's pared down purity with products that know what to do, and results that speak for themselves. Tel: +44 (0)1296 314100.

Davines Authentic haircare collection is formulated to be used on the face, hair and body; cleansing, moisturizing, protecting and nourishing the skin and hair in the best possible way. Using plants to work in harmony with each other and that are 98%-100% natural and sustainable. A fragrance is based on the natural essences of lemon, bergamot, mandarin, eucalyptus, geranium, neroli, rose tuberose and citron wood. All have a revitalizing and balancing aroma with therapeutic properties to help regenerate the body and soul, and every product has been dermatologically tested as suitable for every skin and hair type. Tel: +44 (0)203 301 5449.

Fudge Clean Blonde Violet Toning Shampoo rids hair of yellowing, brassy tones leaving hair clean and shiny. The power comes from including Hydrating Drink Complex with Guarana which restores, hydrates and strengthens blonde hair while organic proteins act as a thermal protector repairing the damage caused by heat styling appliances. A vanilla-infused fragrance with hints of apple adds to the pleasure! Tel: +44 (0)1282 683100.

Goldwell Colorglow IQ Regenerative Hairmasque is the latest addition to the brand's color care range, and comes in three varieties specifically developed for coloured, highlighted or blonde hair. Ingredients such as Farmin (an exclusive active agent), specially selected lipids, and Argan Oil help restore the natural water-repellent property of the hair for up to 100% regeneration. Wow! Tel: +44 (0)1323 432100.

Osmo Osmo Care and Styling has been relaunched and revised to give 39 performance-driven products that 'manipulate and corrupt' any look from fierce to controversial, providing definition, volume or shine! Three fashion-oriented newbies include Power Dust, Day Two Styler and Blowdry Potion...It's all about feeding your clients fashion habit, says the brand. Tel: +44 (0)141 814 6572.

Redken Time Reset combats five visible signs of ageing (changes in texture, density, dryness, dullness and fragility) to restore hair to a more youthful glory. An in-salon treatment sets the process going, while a retail range possessing age-fighting formulas means your client can continue the good work between. Tel: +44 (0)800 085 4956.
